In some situations, you can use come or go to show indirectly whether you will be in a place that you are referring to. For example, if you say 'Are you going to John's party?', you are not showing whether you yourself are going to the party. However, if you say 'Are you coming to John's party?', you are showing that you will definitely be there.

Dreams. REAMS can be baffling and mysterious. Throughout history dreams have been associated with sacred revelation and prophecy. Moreover, it was a dream that revealed to a scientist the molecular structure of carbon atoms in the benzene ring. [] All this mystery can leave us wondering what a particular dream means to the dreamer, and we can argue about what causes dreams in the first place.
