### **An Artist And A Writer**

I could not agree more. Art and Literature overlap in countless ways and the practice of one strengthens both. My best advice to writers: put down your books, pick up a pencil and draw.

Jean-Michel Basquiat. Stop it. Stop asking the question. Within the question itself is contained the answer. The very answer itself. "Oh, god, am I a writer? Am I an artist?" Actually, I don't really totally mean that you have to stop asking these things. But at least calm down a bit; and in so doing — in so calming down, you can do us both a service.

The distinction between artist and songwriter is essential, because there are royalties specifically for artists, and there are royalties specifically for songwriters. The complicated part is that a lot of us are both, and eligible to collect royalties as both, but these terms aren't interchangeable. An artist records sound recordings (masters).

In calling a writer an artist, would you be misleading the reader? If so, is the deception or misdirection serving a purpose? If you want to make the point that writers can be artists, it seems appropriate to acknowledge that some writers have gone beyond clarity and craft, creating a thing that someone, somewhere would define as art.

Richard McBee, artist and writer. McBee is an esteemed critic of Jewish art, photography, film, music, and drama. His paintings explore Jewish history and religion.

### **Welcome - Richard McBee Artist and Writer**

A writer is anyone who writes something. Everyone knows that. But when it comes down to it, there is a lot of difference between a writer and an author. Someone who calls themselves an author has a completely different agenda than someone who calls themselves a writer. Don't confuse yourself, or the folks who like [...]
