### **Changing Nature The Immortal Descendants**

Immortality is eternal life, being exempt from death, unending existence. Some modern species may possess biological immortality.. Certain scientists, futurists, and philosophers have theorized about the immortality of the human body, with some suggesting that human immortality may be achievable in the first few decades of the 21st century. Other advocates believe that life extension is a more ...

While William Shakespeare's reputation is based primarily on his plays, he became famous first as a poet. With the partial exception of the Sonnets (1609), quarried since the early 19th century for autobiographical secrets allegedly encoded in them, the nondramatic writings have traditionally been pushed to the margins of the Shakespeare industry.

Chapter 1. On God. 1. I know that some will attempt to say that, even according to the declarations of our own Scriptures, God is a body, because in the writings of Moses they find it said, that our God is a consuming fire; and in the Gospel according to John, that God is a Spirit, and they who worship Him must worship Him in spirit and in truth. Fire and spirit, according to them, are to be ...
