2 Oct 2019 - 5 Oct 2019. Great houses like Burghley were built for entertaining and are often at their best just after the main visitors have left and the twilight seeps in through the windows which combined with the soft lighting of the artworks evokes the feeling of travelling back in time to when the House would have seen endless evenings [...]

Sutton Hoo, at Sutton near Woodbridge, Suffolk, is the site of two 6th- and early 7th-century cemeteries. One cemetery contained an undisturbed ship-burial, including a wealth of Anglo-Saxon artefacts of outstanding art-historical and archaeological significance, most of which are now in the British Museum in London. The site is in the care of the National Trust.

The exhibition will delve further into the use of these motifs in the Tudor era. One of the most important works on display, and one of the most significant pieces of circumstantial evidence for the altar cloth having been part of one of Elizabeth's gowns, is the Rainbow Portrait (c. 1600 - 02), attributed to Marcus Gheeraerts the Younger.

The primary source of information about books on railway history is George Ottley's monumental bibliography, with its two supplements (no serious public library can claim to be that if Ottley is not available). Jack Simmons' overall evaluative surveys of the literature (both in his own books and in the Oxford Companion - Ottley is mainly non-evaluative) are also useful, but Simmons was less ...
