### **Radical Management By Samuel A**

Radical retropubic prostatectomy is a surgical procedure in which the prostate gland is removed through an incision in the abdomen. It is most often used to treat individuals who have early prostate cancer. Radical retropubic prostatectomy can be performed under general, spinal, or epidural anesthesia and requires blood transfusion less than one-fifth of the time.

Samuel Smiles (23 December 1812 – 16 April 1904) was a Scottish author and government reformer. Although he campaigned on a Chartist platform, he concluded that more progress would come from new attitudes than from new laws. His masterpiece, *Self-Help* (1859), promoted thrift and claimed that poverty was caused largely by irresponsible habits, while also attacking materialism and *laissez* ...

Labor Reformers. The turbulent story of the labor movement in the United States is an important one in American politics and history. Here we feature three prominent advocates for the manual worker: Frances Perkins, Samuel Gompers, and César Chávez.

### **Spotlight Biography: Labor Reformers**

In 1790, Samuel Slater built the first factory in America, based on the secrets of textile manufacturing he brought from England. He built a cotton-spinning mill in Pawtucket, Rhode Island, soon run by water-power. Over the next decade textiles was the dominant industry in the country, with hundreds of companies created.

The transition from an agricultural to an industrial economy took more than a century in the United States, but that long development entered its first phase from the 1790s through the 1830s. The Industrial Revolution had begun in Britain during the mid-18th century, but the American colonies lagged far behind the mother country in part because the abundance of land and scarcity of labor in
