Top 10 Sports Magazines - Sports Illustrated, Runner's ...

The sport of track and field has its roots in human prehistory. Track and field-style events are among the oldest of all sporting competitions, as running, jumping and throwing are natural and universal forms of human physical expression. The first recorded examples of organized track and field events at a sports festival are the Ancient Olympic Games.

It's strange, but true: The nutritional practices of the best endurance athletes in the world have not been carefully studied. Those "best endurance athletes" are clearly the Kenyan runners. Attempting to verify this fact for you is probably unnecessary, but it can at least be noted that one study ...
