Skill And Qualities

Chess is a game of skill, but Old Maid is a game of luck. The noun skill comes from an Old Norse word, skil, which means distinction. His swimming skills left a lot to be desired: he flailed around in the pool, churning up water like an egg beater.

skill - Dictionary Definition : Vocabulary.com

professional definition: 1. relating to work that needs special training or education: 2. having the qualities that you connect with trained and skilled people, such as effectiveness, skill, organization, and seriousness of manner: 3. used to describe someone who does a job that people usually do as a....
