### **The Maroon Or Planter Life**

The Jamaican Maroons descend from maroons, Africans who escaped from slavery on the island of Jamaica and established free communities in the mountainous interior, primarily in the eastern parishes. Africans enslaved during Spanish rule of Jamaica (1493–1656) likely [original research?] were the first to develop such refugee communities.. The English, who invaded the island in 1655, expanded ...

Queen Nanny or Nanny (c. 1686 – c. 1755), a Jamaica National Hero, was an 18th-century leader of the Jamaican Maroons. Much of what is known about her comes from oral history, as little textual evidence exists. She was born into the Asante people in what is today Ghana, [citation needed] and escaped from slavery after being transported to Jamaica. ...

The Revolt. In 1760, some fifteen hundred enslaved black men and women— perhaps fewer but probably many more— took advantage of Britain's Seven Year's War against France and Spain, to stage a massive uprising in Jamaica, which began on April 7 in the windward parish of St. Mary's and continued in the leeward parishes until October of the next year.
