It's a story about unconditional love and real beauty--beauty that comes from the inside. The rabbit is teased first by the more modern and "high tech" toys in the boy's room because he has no cranks or springs or other mechanical parts.

Moral Lessons in Margery Williams' The Velveteen Rabbit

Terminology. Male rabbits are called bucks; females are called does. An older term for an adult rabbit is coney, while rabbit once referred only to the young animals. Another term for a young rabbit is bunny, though this term is often applied informally (especially by children) to rabbits generally, especially domestic ones. More recently, the term kit or kitten has been used to refer to a young ...
